Priest's Report

While my report will concentrate mainly on the worship life of the parish, I would like to begin by thanking everyone who has contributed to the life and ministry of our parish.

I always hate to pick people out as I always feel I miss someone who has made a great contribution. There are however a few who continue to make a huge difference to the smooth running of the parish.

To Fr Kevin Callegari and Harold Luxton, without whom Walpole would struggle to have a weekly service. To my three Wardens, Judy Ross and Tom Sheard in Denmark and Harold in Walpole. Chris Prickett, our esteemed Treasurer. Sally Prickett for all her work as a Licensed Lay Minister, Mustard Seed Coordinator and Safe Church coordinator, as well as the many jobs she does quietly around the parish, picking up or filling in for people who for whatever reason were unable to fulfil that ministry on that day. To Alison Kershaw for her continued support as LLM, profound preacher and writer of prayers, Pew Sheet producer, PR person and organiser of the Twilight Meditations.

To our Parish Councillors, our musicians, readers, prayers, flower arrangers, cleaners, tea makers, gardeners, maintenance and fix-it people and especially to all our wonderful Mustard Seed volunteers for the record year we have had.

Please forgive me if I haven't mentioned you.

What has been:

2021 saw us welcome back Harold Luxton into the role of Warden, and newcomers, Tom Sheard (Warden) and Margie Bramston (Parish Secretary).

Our worship services haven't been as disrupted as they were in 2020, in fact, it was a joy to celebrate my first Holy Week and Easter in the parish.

The year saw a wonderful array of special services. In March we hosted the annual World Day of Prayer service, and I thank all those who helped this to be a success.

The end of March saw a group of Third Order Franciscans visit the parish for their annual Day of Penitence Quiet Day and for many of them to stay for the Sunday worship.

2021 also saw the return of Festival of Voice and it was a joy to welcome Eugene Eades from Nowanup to lead the singing during our special Sunday service.

In June, Parish Council met in Walpole, something I am hoping we can continue to do once or twice each year.

In August Bishop Ian Coutts made his first visit to Walpole. Parish Council decided to close St Leonard's for the day, and many travelled over to Walpole to join in a wonderful service. I thank Harold for the massive contribution he made to bringing together the local Historical Society and enabling the theme of Celebrating the Journey, which Bishop Ian incorporated into his sermon.

In October as well as the Blessing of the Animals, I was able to celebrate the *The Transitus of St Francis* on October 3rd – a simple service which commemorates the death of the saint. It was lovely to be able to share that service with some of you, as I am often at Synod around that time.

Other regular special services which continued in 2021 were: Shrove Tuesday service followed by a shared pancake lunch, the Ash Wednesday service, Blessing of the Animals around the Feast of St Francis, All Soul's service by the river in Denmark, and the 'Blessing of the Emergency Vehicles' in Walpole, which I shared this year with Fr Elin Comanda from the Catholic Church.

Revd Sally blessing the emergency fleet in Walpole.

The Twilight Meditations which Alison Kershaw and Victoria Castiglione run continues. It currently has moved to the third Friday each month, meeting at 5 pm for a run through of the singing, before formally starting at 5.30 pm.

The Mid-Week Eucharist after a bit of shuffling around with the timing, has grown a little in the numbers attending. It is now at 2 pm on the first Thursday of the month.

Our commitment to the Blue Wren Lodge has continued this year with Revd Elizabeth Sanderson from the Uniting Church joining the team. Some of the expectations changed, with us being relocated from the TV lounge, and of course, the need for our 'flu' and COVID vaccinations to be up to date. New regulations at the hospital have meant that our 9.30 am service will now start soon after 10 am.

In November, the Diocesan President of MU, came to St Leonard's and formally accepted the closure of the Denmark-Walpole Branch of Mothers' Union. It was a sad but happy day, which I am sure Ruth Price will speak of in her report.

I would also like to thank Sally Prickett and Jan Pattinson for the load they took on over the Christmas weekend, assisting me at St Leonard's and also taking services in Walpole.

The Lent and Advent Studies were well supported in 2021.

For Lent we had three groups going across the Parish. Two groups, one in Denmark and one in Walpole, studied God's work of art by Ted Witham tssf, and one group in Denmark looked at the novel, The Shack by Wm. Paul Young. I think we all got a lot out of the studies.

For Advent we looked at a study Revd Sue Lodge Calvert had written, called The Gift of Incarnation.

As I reported last year, 2021 saw the Diocese pioneer a Ministry Wellness and Professional Development Programme for the clergy and paid employees of the Diocese. This programme involves undertaking 10 "hours" of Professional Development, some of which is covered at the Clergy Conference, 6 hours of Professional Supervision and an Annual Review. This year, I was one of the ones who "drew the short straw" and my review was a 'big' one! I thank those who spent the time to answer the questions on my ministry for the Review and taking the time to meet with the Archdeacon when she visited.

The end of 2021 seemed to be a time of report writing ... not my favourite pastime!

As well as my ministry review, Sally Prickett and I worked on a Parish Ministry review, Jane James and Chris Prickett helped me with a Parish Mission Review and there were also

Deanery Reports for Synod, just to name the main ones we have been required to complete. I thank those who have helped me in the process.

Another joy from 2021 was that four parishioners made their Cursillo in July at Bunbury Cathedral Grammar, and I had been invited to be on Team. There is a hope to be able to revive the Cursillo Movement in the Diocese.

Some issues

One of the issues which has followed us since 2020, has been the ongoing, ever-changing regulations and expectations around the COVID virus. I thank everyone who has stuck with it, largely without grumbling, and have followed the requirements which have been placed on us.

The signing in and now wearing of masks, either in The Mustard Seed or in church is mandatory – we need to do it or our churches or The Mustard Seed will be closed down and we will be fined.

St Leonard's, which always used to be open during the times the MS was open, has had to remain closed except when there is a service or other activity on. This is because, to keep it open, we would need a volunteer to sit in the church and make sure a) that people who entered signed in, and b) that no one misused the sign in sheets for those who didn't use the QR sign in. We had some spirited requests during the year for the church to be opened again but when we followed this through with both the Diocese and our legal expert, sadly, until this stipulation is lifted, the church will remain closed while it is unattended.

Another change in church life with COVID has been the inability to share the common cup at Communion. Bishop Ian has been trying to obtain a consensus within the Australian Anglican Communion for a way to receive the wine which we can use in common but so far it has been difficult to get any interest in making a decision from General Synod. The current situation is that General Synod has agreed to convene "a Panel of Experts" to investigate the matter. As you can imagine, he is very frustrated, as well as those of us who miss taking Communion "in both kinds". Personally, when I do take the wine, I am very mindful that I do so on behalf of us all.

At this stage those of us leading worship, involved with funerals or the preparation of food are required to show their proof of vaccination. I thank you to all who passed that information to Sally Prickett (our Safe Church coordinator) without fuss. There hasn't been a mandate yet about it, but be aware, like many other premises, we may be asked to produce proof of vaccination to enter church for worship. Please God that will not happen!

Looking to 2022 and beyond

At last year's AMP the issue of the Church seating at St Leonard's was flagged. A committee of interested people was formed and has met on a number of occasions to look at our options. Currently we gained a faculty to experiment on one of the old semi broken pews to see if they can be altered slightly to allow for a more comfortable and stable seat. As I promised, this will be progressed slowly, and will involve wide consultation when we get further down the track.

One of the privileges of being a priest is seeing the potential and giftedness in a congregation. The other is to work alongside some very gifted people! I am hoping that over the next year or so I can encourage a small number of you to look at the possibility of becoming a Licensed Lay Minister, to assist with the leading of worship. I have already approached one or two people, who have prayed about it and given me their answer. Please, think and pray about it, sit with it and see if you feel God calling you into this

ministry. There are a number of 'hoops' to jump through: a course of online study, and various clearances etc. but if you think God may be opening this ministry up to you, please come and speak to me.

In 2022 I plan to start a monthly Evening Prayer in Denmark on the last Sunday of the month, and hope in Walpole to begin a Taize style Evening Prayer on the first Sunday of the month. While the Denmark service started at the end of January, Walpole have chosen to wait until the danger of the Omicron variant of COVID has passed.

At the Synod in October, the Diocese of Bunbury Vision and Strategy Plan was launched. After some time of consultation, the Bishop has identified four strategies to grow and deepen the faith in the Diocese:

Prayer: Deepening and growing our prayerfulness as individuals, groups and churches.

Learning more about Jesus Christ in order to become more like Christ.

Growing in love for, and encouragement of, one another (within our churches and diocese).

Being salt and light in the places and among the people God has placed us (in our communities).

There is a Vision and Strategy newsletter which comes out regularly, which, if you haven't received one, can be accessed on the Diocesan Website: www.bunburyanglican.org/vision-and-strategy.html If you access that page you will see further information there. For those not online who might be interested, I try to print off a few copies for each church, however, if you can't find one and are interested, please let me know and I will make them available to you.

During the year there will be a number of events around the Diocese on Prayer – the first of the areas we will be working on.

This year the Lent study is one which the whole Diocese will undertake and will be on Prayer. There will be more news about this shortly. If you would like to have a look at the study, you will find it on the diocesan website, as above.

Recently, St Leonard's had an ant infestation in both Vestries. As a result, we had to clear many of the drawers in the Priest's Vestry. During this time, we discovered several old heavy brocade altar frontals and matching veils etc. These are stained and much of the backing is rotting. A few parishioners have approached me with ideas of what to do with them, and I have contacted the Diocese to see if there is any specific procedure which we need to go through should we re-home them.

Also, we discovered a portable organ, which has been sitting under one of the chests of drawers. When we pulled it out and put it together, we realised it would need quite some repairs to get it working again. Again, I have mentioned it to the Diocese, and suggest we look at expressions of interest.

Again, I thank everyone for their commitment to this parish and sharing in the mission of the church in this place.

Peace and every good wish.

Revd Sally Buckley tssf

Wardens' Report

PARISH COUNCIL [from AMP Feb 2021 – AMP 2022]

Elected Councillors: Margie Bramston, Jane James, Alison Kershaw, Sally Prickett

Priest's Appointments to Parish Council: Victoria Castiglione, Chris Prickett

Elected Wardens: Harold Luxton, Tom Sheard

Priest's Appointment of Warden: Judy Ross

Treasurer: Chris Prickett; **Secretary** Margie Bramston; **Social Secretary:** Judy Ross;

Minutes Secretary: Victoria Castiglione; **Mission Secretary** Jane James

SYNOD REPRESENTATIVES (2 positions, 3-year term):

Victoria Castiglione, Alison Kenworthy; Alt Synod Reps: Chris and Sally Prickett

PC met 8 times since the 2021 AMP: See Parish Council Resolutions below.

St Leonard's Warden's Report: Judy Ross

- James Gentle repaired roof guttering at the Rectory
- Electrician Mark Boundy repaired lights and replaced 12-volt transformer in St Leonard's, and installed exhaust fan in the hall kitchen.
- Jared Lane cleaned out the roof guttering on St Leonard's and the hall.
- Work on Meeting Room: Tom Sheard and Nigel Dixon removed water damaged cladding and framework. After a lot of phone calls to Steve Baker, he did not return my calls. So now we have a quote from Nathan Welshman, a gyprocker. Hopefully he will start work end of February 2022, charging for labour only.
- We've had an invasion of ants in St Leonards' vestry and flower room. Between Tom, Revd Sally, Nigel and myself, we seem to have got rid of them – hopefully. I did ring a pest controller who hasn't returned my call.
- I rang a painter, Jona, to repaint the western wall of St Leonard's. No luck there either. Didn't return call.

Judy Ross, Warden

St Leonard's Warden's Report: Tom Sheard

I am pleased to report that I have enjoyed serving as warden during this first year of my tenure. Thanks to everyone on the Parish Council who have helped me to understand the role and welcomed my participation. I have found myself involved in a number of small projects and some liaison with community in relation to hiring our facilities.

The projects have included:

- Sanding and re-sealing the Mustard Seed deck and ramp: completed in March 2021 and recoated in January 2022.
- Repair to the brick paving path leading into the Civic Centre car park in March.
- Commencement of work on a new parish noticeboard, now nearing completion. I am grateful for the assistance of Jim Taylor and Tine Adams for loaning shed space and generally looking after me on days spent there.

- Procuring and installing appropriate signage for the disabled parking and general parking, including marking out of the bays, completed in October.
- Troubleshooting the problem with the church sanctuary lighting in August.
- Removing the water damaged cladding and framework from the western wall of the meeting room. This is on track to be repaired and re-lined by early March 2022.
- Repair to the render on the steps leading to the Mustard Seed, completed in January 2022.
- General weeding and maintenance of the garden area surrounding the church building.

The hiring out of facilities:

- Festival of Voice in June.
- Denmark Sr High School Senior School Event in July.
- Denmark Baroque concert in December.

For admin purposes, I have become one of the signatories for the two ACF accounts. A statement of the parish's current insurance values is below.

Tom Sheard, Warden

Highlights from the western end of the parish: Harold Luxton

1. Painting exterior walls

Early in 2021 the Walpole Work Camp painted St George's exterior walls: cleaning and sanding, using stopgap applying undercoat and finish. The toilet block was also painted inside and out. Cost of material was \$825.

2. Kitchen floor

In April 2021 the existing lino covering St George's kitchen floor was removed, and existing floorboards sanded and sealed with a lacquer coating. The outcome is very pleasing. Cost \$1,125.

3. Grounds

The grounds at St George's are quite extensive. Aaron Mathews proprietor Walpole Mowing and Maintenance has been engaged to undertake ground maintenance when required. Over the decades vehicular traffic (both church and general community) has caused significant compacting and erosion. The northern boundary (shared with Walpole Mechanical and Tyres) is a concern. At its November 2021 meeting, Parish Council agreed to increase the allocation of Repairs and Maintenance by \$2,000 for the purpose of landscaping at St George's to give attention to this area.

4. Worship

There is a core group of regular attenders supplemented by visitors and other locals who attend when they can. The volume of visitors to Walpole from Christmas to Easter is significant.

5. Visit Bishop Bunbury

60 people attended St Georges on Sunday 1 August 2021 and celebrated the Eucharist with Bishop Bunbury: Rt Revd Dr Ian Coutts. A theme for the day was "Celebrating the Journey" and the Walpole Nornalup and District Historical Society Inc was well represented.

6. COVID Plan

St George's is committed to safe church and the need to reduce any risk of virus infection. The COVID Plan is known and implemented.

7. Thank a volunteer Day

Walpole celebrates the International Volunteer Day (5 December) on the nearest Saturday. Since 2011 the Blessing of the (Emergency Services) Fleet has been a principal part of that. This tradition was continued on Saturday 4 December 2021 with Parish Priest Revd Sally Buckley officiating with Revd Elin Comanda from the Roman Catholic tradition.

Mission Secretary's Report

As mission secretary, I have been most grateful for the support of Parish Council, particularly the Treasurer Chris Prickett, and Harold Luxton and Revd Sally Buckley for contributing background knowledge of the many deserving claims for contributions from our church. I think we have maintained a broad spread of contributions Local, national and international, whilst also responding to unforeseen emergency situations.

Thank you

YouthCare

Sadly the YouthCare Committee has dwindled to three, Barbara McDonald from Catholic Church, Anita Beer from Baptist Church (Treasurer) and me Jane James, from Anglican Church (Secretary) Brent Findlay is supervising Chaplain for the Great Southern.

Our chaplains have done a wonderful job, Leon Durrant at the Agricultural College, with his motorcycle club, and 12-hour shift, one day a week. Louise Smith chaplain for the Denmark Senior High-school doing three days a week and much appreciated. It was hoped she could extend to also visit the primary school. Steve Fisher continues to visit Walpole Primary with innovative programmes.

Sadly, because Leon has been ordained Anglican Priest, he is moving to Perth as a Roving YouthCare chaplain, to be near his family. Louise has also resigned for personal reasons and will be much missed.

It has been great to have Brent's support during the year. We still don't have a chairman of our Committee. We had a successful Sausage sizzle fundraiser, but our concert was cancelled/postponed due to musician overload.

I am grateful for the support of Parish Council, both financially, the help of Parish members at the Sausage Sizzle, and the prayers and interest of all.

Jane James, Secretary YouthCare Committee.

Emergency Relief

We normally provide emergency relief vouchers to the Denmark Community Resource Centre for food, fuel, gas bottle and Mustard Seed vouchers to the tune of some \$6,500 annually with funding from the Bunbury Diocese. Early in 2021, Denmark CRC obtained a grant which they thought would obviate the need for our help. However, by August, this money had been largely spent and additional funds were not available to them, so we were asked to resume our support. Thus, our expenditure in 2021 was only \$1,756. We still have \$6,000 odd in the ER account so will be able to continue to support Denmark CRC into 2022. We recently contributed \$2,000 to the Denmark Response Fund for those affected by the bushfire, and a further \$1,500 to Denmark CRC for regular emergency relief.

Chris Prickett, Treasurer

Mother's Union Report

From early 2021 it became increasingly difficult to organise meetings. Our age group were and are vulnerable to COVID, and with lack of members and insufficient support, it was decided to close the Branch. On 14th November 2021 our Diocesan President, Wendy Mabey, travelled to Denmark and, as part of the 9.30am Eucharist that morning, closed the Branch.

Those of us to remain members pay our Annual Membership fee, and plan to meet from time to time. At present we lack a place to meet and social distance. Anyone who is interested in MU, please talk to me or Revd Sally, or use the modern technology to go to the MU website.

Ruth Price

*We give thanks
for 38 years of
fellowship and of service
by members past and
present,
and especially for
Ruth's long contribution
as local president.*

Creator of all that is, guard us,
your servants in the worldwide Mothers' Union,
with your loving care.
Keep us mindful of our mission
to bring peace and justice
for all your children
in our land, Australia
but most particularly for mothers and fathers,
for childcare workers
and those reaching out to the dispossessed,
disabled and those in danger.
We pray that in the strength of the Holy Spirit
we may listen to the cries of the needy,
observe with the eyes of love,
and may all our actions
show the tenderness and concern
of your Son, Jesus Christ, to all we meet.

Amen

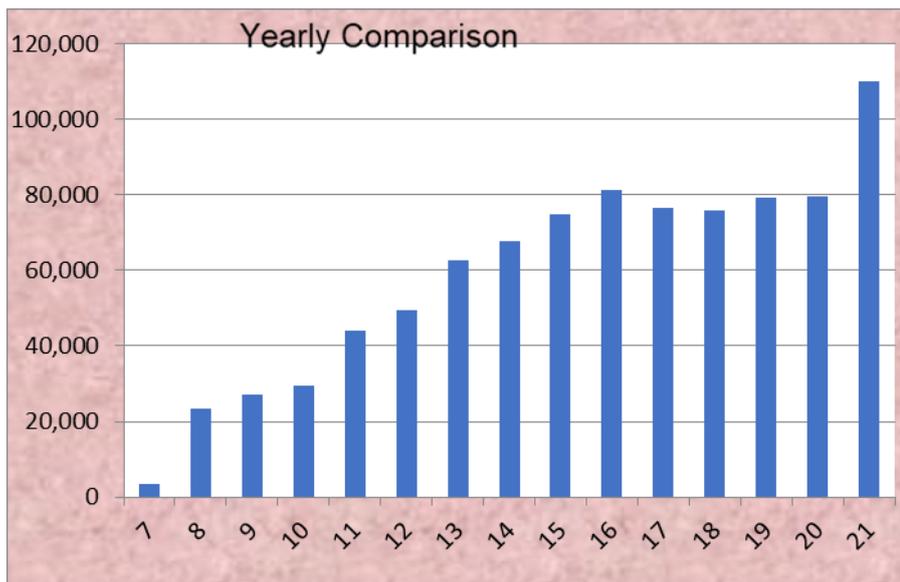

2021 was our fourteenth year of operation and the team of 44 volunteers included community and parish members who kept the “Denmark Ripple” floating along to its best ever financial year since opening in 2007. It has been another challenging year with COVID restrictions of various kinds coming into place but once again with the generosity of donors, hard work from the volunteers, great bargains and obviously our many customers we have achieved much and been able to share the resultant good fortune.

This year we introduced an EFTPOS system which the volunteers mastered brilliantly and that too added to our bounty. With various changes around the town with regard to recycling and changes to the Shire’s tip pass system, we have found ourselves being the repository of more than our fair share of dirty, damaged or unusable donations which causes distress and more work for our volunteers. However, we have worked through those disappointments and been able to donate funds to Denmark Primary School for children to attend camp, the Denmark Community Foundation, Appeals for Tropical Cyclone Seroja, Perth Bush Fire appeal, MSF Afghanistan Crisis appeal, Wheelchairs for Kids (13 chairs so far) and many more good causes [see Mission Report]. Currently, we are donating items to people affected by the Denmark bushfires.

As part of our Christian faith, we are asked to share generously beyond the church doors the blessings we ourselves receive and I believe the Anglican Mustard Seed Op Shop achieves that generosity, on so many levels, really well.

Social Secretary's Report

- I booked a trip on the boat at the Rivermouth Caravan Park (inlet cruise) but due to rough weather we were unable to go. But 26 of us enjoyed a meal at the café.
- Bishop Ian came to Walpole on a very cold and wet day. This was an enjoyable time with St George's members. 46 of us enjoyed a lovely morning tea.
- A lovely luncheon was held by Revd Sally and Chris at the Rectory. 22 parishioners attended.
- A cruise was taken on the Deep River with Gary Muir. This was fantastic, what with Gary's knowledge and wit we, all 30 of us, had a great time. Thanks Gary.

Synod Representatives' Report

The First Session of the Fortieth Synod of the Diocese of Bunbury was held on 8 & 9 October 2021, at the Bunbury Cathedral Grammar School. Alison Kenworthy & Victoria Castiglione attended as Synod Reps for the parish, together with our Rector, Rev'd Sally Buckley. The reports presented to Synod and the legislation considered are available on the Bunbury Diocesan website at <https://www.bunburyanglican.org/synod.html>

Education & Training

A range of study units are being made available online covering different aspects of Licensed Lay Ministry. These are free, relatively easy and can be studied individually or in groups.

Diocesan Finances

Diocesan auditors are generally happy with the Diocesan finances. Their main concern has been to split land and buildings in the balance sheet, and to create an asset register of computers and phones. The financial surplus this year has been due to the increase in the value of shares, and Jobkeeper kept finances steady. The Diocese received \$92,000 from thinning of a plantation forest and \$160,000 from a house sale. From 1 July 2021 clerical stipends are set at \$60,947 per annum, an increase of 2%, and from 1 July 2022, parish assessments will be 14% of average annual income.

Legislation

One notable legislative change was the amendment of the definition of voting parishioner in the *Parochial Statute* to be "lay" person only, with the result that present and former parish clergy are now excluded from Parish Councils and excluded from voting at Annual Meetings

of Parishioners. This applies equally to clergy of other denominations who become part of a parish.

Selection of Motions considered by Synod (full text of all Motions is available on the website)

Motion 1

That Synod note with concern the Federal Government's lack of attention to the pollution of the atmosphere and recommend government action and policy to promote Safe Air for the world.

Motion 2

That Synod reinforce previous Motions regarding asylum seekers, that it recognised the need for compassion towards persons fleeing persecution, and that it oppose detention of children and indefinite detention of refugees, with the Bishop to contact Federal Ministers regarding these matters.

Motion 3

That Synod support low cost housing such as the "tiny house movement".

Motion 4

That Synod acknowledge the experience of racism, gender based discrimination, and patriarchy in churches & parishes, that clergy & parish leaders raise awareness of this and promote changes of attitude, that when there is a complaint, due process be followed and that there be some sort of consequence for perpetrators of discrimination and that regular Safe Church training be provided on these issues, and counselling be offered.

Motion 5

That Synod request the Bishop and Diocesan Trustees to lobby Government for grants, concessions and tax deductibility status to assist maintenance of heritage listed buildings.

STRATEGIC PLAN PRESENTATION

The Bishop presented the 4-part *Vision and Strategic Plan for 2021-2025*, which is on the website at <https://www.bunburyanglican.org/vision-and-strategy.html>

The first part of this Plan, "Deepening and growing our prayerfulness and individuals, groups and churches", is to be the focus of Lenten studies in 2022. The course will be based on Thessalonians. On 12 March 2022 the Bunbury Diocese will hold an Exploring Prayer Day.

Audit of the Financial Records of the Anglican Parish of Denmark-Walpole for
the period 1 Jan 21 to 31 Dec 21

Scope

I have examined the income and expenditure statements and all the supporting documents in detail and have verified the statement of financial position prepared by the treasurer.

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion

In my opinion the Statements of Financial Position and Income and Expense of the Anglican Parish of Denmark-Walpole present fairly the financial position as at 31st December 2021 and the results of its operations and cash flows for the period.
